REQUEST FOR RECONSIDERATION OF PETITION

Office of Petitions
Attn: Derek L. Woods
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

REMARKS

In response to the Decision on Petition mailed on 17 April 2008, please reconsider the Petition filed on 31 October 2007 in view of the following information and the attachments comprising: an Affidavit from Barbara Dalbey, and a copy of the docket for this Application.

Thank you for discussing this Application and the filed Petition during the telephone interview of 28 April 2008. Per our conversation, I have attached a copy of the docket for this Application. As I indicated in our telephone conversation, our docket is electronic, and as such the missing Notice of Allowance was entered into our docket, but after a status check that we initiated and performed on 25 October 2007.

The Affidavit of Barbara Dalbey explains the actions of Scott Mathews and Barbara Dalbey with regards to the docketing of the status check and the missing Notice of Allowance.

Applicant believes that the attached copy of the docket and the attached Affidavit from Barbara Dalbey satisfies item (3) on page 2 of the Decision on Petition.

With regard to item (1) on page 2 of the Decision on Petition, the undersigning Practitioner states that the Office communication comprising the Notice of Allowance mailed 19 July 2007 was not received by the undersigning Practitioner, as previously noted on page 3 of the Petition filed 31 October 2007. Thus, Applicant believes that item (1) on page 2 of the Decision on Petition has been satisfied.

With regard to item (2) on page 2 of the Decision on Petition, the undersigned Practitioner states that undersigning Practitioner reviewed the file and did not locate the Office communication comprising the Notice of Allowance mailed 19 July 2007. A copy of the Notice of Allowance was present in the file, but this copy was printed as a result of the status check performed on 25 October 2007. Thus, Applicant believes that item (2) on page 2 of the Decision on Petition has been satisfied.

CONCLUSION

The Applicant respectfully asserts that all of the requirements of the Decision on Petition have been satisfied and respectfully requests that the Petition be granted.

The Applicant respectfully requests that if any further information or action is required to please call the below listed attorney, if a discussion would be helpful in resolving any remaining problems.

In the event the U.S. Patent and Trademark Office determines that an extension is required or any other fee is required, Applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or

other fees due in connection with the filing of this document to Deposit Account No. 06-2380
referencing docket no. 47524/P124US/10108968.

AFFIDAVIT OF BARBARA DALBEY

As shown by the docket for the above referenced Application, on October 25, 2007, one of our patent paralegals, Scott Matthews, performed a status check on portal.uspto.gov to ascertain the state of the case, 47524-P124US-10108968, Serial No. 09/982592. He discovered that on July 17, 2007, a Notice of Allowance and a Notice of Allowability were issued, which we had not received. He then printed the documents for docketing, and disclosed the discovery to the attorney responsible for said Application.

I, Barbara Dalbey, a docketing specialist for the department, proceeded to docket said Notice of Allowance and Allowability on that date, namely October 25, 2007, with notations in the text as to our non-receipt of said document and non-payment of Issue Fees, which had been due October 17, 2007. My user ID is bd11546, and thus the docket shows the various entries that I have made for this Application.

On October 31, 2007, a Petition to Revive was filed along with an affidavit, stating the situation as evidenced above and payment of the Issue Fees through electronic filing, which I docketed as such.

On November 16, 2007, we received the Notice of Abandonment dated November 13, 2007 for said case and it was docketed, but since we had already filed the Petition to Revive, it

was docketed with the deadline of January 13, 2008 and notated in the text as filed prior on October 13, 2007.

On December 27, 2007, our paralegal, Scott Matthews performed another status check on the portal, and discovered that the Application was still in review. Because the status still indicated that the case was Abandoned for Failure to Pay Issue Fee, he also filed a formal status inquiry on January 3, 2008 signed by the attorney responsible for said Application. He performed further portal status checks on January 30, 2008 and February 27, 2008, these were all docketed in the text.

On April 21, 2008, we received the Decision on Petition issued April 17, 2008, denying the request for revival of the application and docketed the Decision with a new deadline of June 17, 2008.
